Forecast For Strathclyde
Issued by Met Office Aberdeen
at 1600 on Thursday 16 Sep 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Thursday dry with some sunny intervals, but some evening rain.

This Evening and Tonight:
Outbreaks of rain will extend east to most areas through the evening. Then the rest of the night will be cloudy with rain at times, persistent and possibly heavy in the far west. Minimum temperature 12 deg C (54 deg F).

Friday:
Rain at times across the west, this persistent towards the west coast and across Argyll. Drier weather across the east, perhaps some brightness across South Lanarkshire. Maximum temperature 17 deg C (63 deg F).

Outlook for Saturday to Monday:
Often dry with some brightness at times, although a few showers are possible over the weekend. Becoming mainly dry on Monday.
